TERMS AND CONDITIONS

1. Application and Application form

The FE-FC Holden Car Club of New South Wales Inc. (FE-FC Club) invite members of clubs who form the combined FE-FC Holden Clubs of Australia (FE-FC HCCA) to participate in the 13th Holden Nationals. The Entrant will make application on these forms and the FE-FC Club reserves the right to reject any application for any reason. 2. Terms and Definitions

The term "Entrant" refers to a member of an FE-FC HCCA club or invited club who wishes to participate in the Nationals. All Vehicles participating in the Nationals must belong to an Entrant, although Entrants are not required to bring a vehicle.

The term "Vehicle" refers to an FE/FC Holden participating in the FE-FC Holden Nationals. All Vehicles (including Non-Judged Entries) must be officially entered. The Entry Fee includes entry of one (1) vehicle. Entrants are permitted to enter multiple Vehicles. The term "Participant" refers to other family members or non-club members who wish to participate in the Nationals. Although Participants may be drivers of an Entrants' additional Vehicles, they are guests and the responsibility of the Entrant. Participants cannot enter Vehicles.

3. Entrants must be a member of one of the following FE-FC Holden Car Clubs of Australia:

- * FE-FC Holden Car Club of NSW * FE-FC Holden Car Club of Victoria

10. Additional Entrant Vehicles.

For entrants wishing to bring additional vehicles, up to 4 can be listed on the entry form. The purpose of Multiple Vehicle Entry is to permit a family to bring more than one vehicle, without having to pay the full entry fee on each vehicle.

If entering multiple vehicles, you should be aware of the following:

* All Vehicles will be allocated a VEHICLE entry number, in the

name of the ENTRANT.

- * The additional vehicle's DRIVER should be included in the Participants section as an Additional Adult, so each driver can be allocated an entry ticket for the event and dinners.
- * There is one 'goodie bag' per ENTRANT.
- * If you wish to have the additional vehicle listed in the name of the DRIVER, or to receive additional 'goodie bags' for each vehicle, you will need to enter each vehicle as a separate Entrant, and normal rules regarding entrant eligibility will apply.

11. Vehicles Classification and Judging

For our event our independent judging panel will have 3 major categories: Stock Vehicles; Street Vehicles; and Modified Vehicles. Dependent on entered vehicles, each category will be further divided and prizes awarded.

Stock Vehicles are original, or restored, with original paint and trim colours, standard mechanicals and period accessories.

Street Vehicles may have modified mechanicals, colour schemes, trim or non period accessories, but would not require a Modified Vehicle Engineers Certificate for road registration.

Modified Vehicles are altered Vehicles generally requiring a Modified Vehicle Engineers Certificate for road registration.

Example Vehicle History and Photo (for inclusion in Official 13th Nationals Program)

Entrant/Driver: Ted Lowe
Town/Surburb: Richmond NSW
Club: NSW FE-FC (since 2003)
Member Years: 7 years
Nats attended: Will be 4th Nats for Ted
Vehicle: Street Class 1958 FC Standard Sedan
Rego: NSW - 13 NATS
Colours: Orange (non-standard)
Trim: Beige on Beige (non-standard)
Nats for car: This is inaugural Nats for this vehicle
Had Car Since: 2005

History:
 Previously known as "Project Orange". Over the last 12 months Ted has completely rebuilt his old grey Standard Sedan, inspired by the logo for our upcoming Nationals.
 Ted has mildly modified the grey motor, lowered the car, and fitted period wide wheels to create 'an authentic 1950's retro-race car look'. Not many genuine accessories, but car will look good on the track and Ted will be comfortable with the custom trim, seat-belts, and colour coordinated crash hat and gear knob.
 Ted and Rhonda have been to 3 Nationals, but not quite in the style of this car. (This will be the Car you will have to watch out for - it will be the leader of the pack, including when Ted gets lost).
 As we get closer to the 13th Nationals expect to see glimpses of Ted's car here and there, and check out our sponsors logos on Ted's car.
